DEFIBRILLATORS PRODUCTS  
LIABILITY LITIGATION

MDL No. 05-1708 (DWF/AJB)

This Document Relates to:

Albert Bouchie and Mary Ellen Bouchie,  
  
Plaintiffs,

v. Civil No. 07-3242 (DWF/AJB)

Guidant Corporation; Guidant Sales  
Corporation; Cardiac Pacemakers, Inc.; and  
Boston Scientific Corporation,

Defendants.

**ORDER**

On August 6, 2007, the above-entitled case was transferred to this Court from the Judicial Panel on Multidistrict Litigation. Among the attached documents docketed upon transfer are Plaintiffs' Motion to Remand, Defendants' Opposition to Plaintiffs' Motion to Remand, and Defendants' supporting exhibits (Civil. No. 07-3242, Doc. No. 1, Attachments 11-15). Pursuant to Pretrial Order No. 29, "[a]ny motion that was pending before transfer to this MDL is not now pending. If a party wishes for a motion that was pending to be heard, that party must re-file the motion in this MDL." (Pretrial Order No. 29 at ¶16.) Therefore, the Court declines to rule on Plaintiffs' motion and hereby enters the following:

**ORDER**

1. Plaintiffs' Motion to Remand (Civil. No. 07-3242, Doc. No. 1, Attachment 11) is not pending. If Plaintiffs wish for their motion to be heard, Plaintiffs must re-file their motion in this MDL.
