Subject Dan Warren, et al.v. Guidant Corporation

Dear Mr. Frank:

My name is Bobette S. Warren. I am the surviving spouse of Daniel J. Warren. My husband is listed in the class action suit against Guidant Corporation. I have just returned from a 3-week trip to find both your recent letter and a letter from The Mulligan Law Firm regarding their Application to Withdraw as Counsel of Record. Their letter stated "*despite our repeated communications to you regarding the necessity of timely completing the previously sent Guidant Settlement Documents, you have failed to complete and return those documents to our office.*" Mr. Frank, we have had absolutely NO communication, either by telephone or mail, from the Mulligan Law Firm, in the past 12 months. To my knowledge, my husband completed, thoroughly, every request from them in a timely manner. Unfortunately, my husband passed away on June 10, 2007. Before he died, he was notified that a settlement would be forthcoming. If there is any additional information that is needed for his claim, I am happy to provide it. I respectfully request that you do not approve of their Motion to Withdraw as Counsel.

Please let me know if you require additional information from me.

Thank you.

Bobette S. Warren
