

**UNITED STATES DISTRICT COURT
DISTRICT OF MINNESOTA
THIRD DIVISION**

Civil No. 05md1726 JMR/AJB

In re: Medtronic, Inc. Implantable
Defibrillator Product Liability Litigation

ORDER

The Court has considered Co-Lead Counsel's Motion for Disbursements of Settlement Funds to Pay Administrative Costs [Docket No. 1156] incurred by The Garretson Law Firm.

In conjunction with said motion, the Court has reviewed a detailed invoice for handling the verification and resolution of the Medicare and Medicaid reimbursement claims and liens associated with the Medtronic MDL settlement. The detailed invoice was submitted to the undersigned by The Garretson Law Firm on July 29, 2008. At that time, the Court was informed by The Garretson Law Firm that they consider the information contained therein to describe proprietary systems that deserve confidential treatment. The Court has reviewed the detailed invoice and has determined that the invoice does contain information concerning Garretson Law Firm's system for delivering agreed upon services to Plaintiffs and their counsel,

Based upon these findings, **IT IS HEREBY ORDERED** that the invoice for handling the verification and resolution of the Medicare and Medicaid reimbursement claims and liens associated with the Medtronic MDL settlement together with the supporting document dated July 29, 2008, shall be filed under seal.

Dated: July 31, 2008
