v.)	07-CV-4318 (JMR/AJB)
Medtronic, Inc.)	

This action was originally filed in state court in New Jersey. It was timely removed to federal court, then subsequently transferred into MDL 1726, then pending before this Court, by the Judicial Panel on Multidistrict Litigation. Pretrial proceedings in MDL 1726 have now concluded, and the MDL itself was dissolved by Order of the Court on December 19, 2008. [MDL Docket No. 1252.]

An action transferred by the Panel "shall be remanded by the panel at or before the conclusion of [coordinated or consolidated] pretrial proceedings to the district from which it was transferred." 28 U.S.C. § 1407(a). The Court finds that the time for remand has come, and respectfully suggests that the Judicial Panel on Multidistrict Litigation remand this case to the United States District Court for the District of New Jersey.

IT IS SO ORDERED.
