The District of Minnesota is pleased to announce the offering of a service called New Cases System (NCS) on our web site at www.mnd.uscourts.gov. The NCS lists new civil and criminal cases filed in St. Paul, Minneapolis or Duluth each day. It indicates the date assigned, case number, case name, the city in which the case was filed, and the District and Magistrate Judge assigned to the case.

The web NCS is available free of charge. The NCS may also be accessed from the public terminals located in the clerk's offices at the addresses above.
