**PUBLIC ACCESS TO COURT ELECTRONIC RECORDS (PACER)  
FEE INCREASE**

The Judicial Conference of the United States Courts, at its September 21, 2004 session, amended the PACER fee schedule to increase the Internet access fee from seven cents per page to eight cents per page. The 30 page cap on case-related documents and reports (excluding transcripts) will remain in effect; however, the maximum cost will be \$2.40. This fee increase is effective January 1, 2005.

Please note that filing electronically using the CM/ECF system for the District of Minnesota is not PACER. For additional information on PACER or CM/ECF, please visit the court's website at [www.mnd.uscourts.gov](http://www.mnd.uscourts.gov)
