You will not be allowed to submit a voucher in CJA eVoucher without complete billing information. You may edit the billing info by clicking **Edit** to the far right of the **Billing Info** section of the profile.

You may add additional billing records by clicking the **Add** button. You, or the attorney for whom you are providing services, must choose the billing information you wish to use when creating vouchers or authorizations.

Payments cannot be made if the social security number or EIN is missing from your profile. This is a requirement of the payment system which eVoucher is interfacing with.

The “Billing Info section has added a “Billing Type” which includes:

- “Self-Employed” - used when payments are made to the expert’s social security number.
- “Company” - used when payments are made to a firm’s EIN number.

Validations have been added to billing information to ensure the data is in the proper format to be sent to the payment system. If the data is not in the proper format, payments cannot be made. The system will alert you if there are problems with your billing information data. You will need to fix those problems before payments can be made. We ask that you access your profile and verify your social security number, add your social security number if it is not there (unless you are acting only as an associate on the system) and verify your billing information. Please do this as soon as possible so there will not be an interruption in your payments.

Also, please note that you will not be able to change your social security number or your EIN once it has been synced with the interface. Only the CJA6XAdmin user will have rights to change SSNs. Also, please remember to add new or additional billing records if your billing information changes. Do not edit the existing record.

Expert Specialties

The **Expert Specialties** section will list any specialties for which you are approved for eVoucher billing. If you are selected from the approved experts list, when vouchers or authorizations for service providers are created in eVoucher, the selection of your specialty will populate your name and billing information (with social security number/EIN masked). That specialty will also be checked on any of the CJA forms (CJA-21, CJA-24, or CJA-31) created in eVoucher.

Expert v. Expert Enter

CJA eVoucher allows two designations for Experts to complete the voucher: Expert and Expert Enter. When the service provider logs in, he or she will see a list of all of his or her documents on the home page. The Expert role will allow the service provider to log in to eVoucher, view any documents the attorney is creating on his or her behalf, verify the information is correct, and run reports or copies of the CJA-21 or CJA-31.

The Expert Enter role allows the expert to complete his or her voucher after the attorney has created it. If the attorney selects an expert who has Expert Enter privileges, they will be able to choose if the attorney or the expert will complete the voucher. The expert can then enter the correct information and submit the voucher back to the attorney for approval.

Voucher Assignment Attorney Expert
This indicates who will be responsible for filling the voucher claim part

CJA-21/31 Entry

The attorney will create the CJA-21 or CJA-31 voucher. If the expert selected is authorized to use eVoucher (Expert Enter rights), the attorney can choose to let the expert enter the services and expenses. The attorney should notify the service provider that the voucher has been created and is awaiting completion by the provider.

Log in to the eVoucher application. The voucher should appear in your **My Documents** folder on your home page.
