

NEXTGEN CM/ECF ANNOUNCEMENT

The **U.S. District Court for the District of Minnesota** will be upgrading its CM/ECF software to the Next Generation (NextGen) of CM/ECF in the upcoming months. The District of Minnesota will be the first district court in the country along with the Northern District of Florida and the District of Kansas to upgrade to this new release. Included in this new release is a central sign-on functionality that will give you both PACER and electronic filing access from your PACER account.

Current users will be required to upgrade their PACER accounts in order to file in the District of Minnesota. For more information on the upgrade process, including [electronic learning modules](#), please access the [PACER](#) page [Improvements Coming to PACER and CM/ECF](#).

The target date for the new software to be installed is in **early 2015**. Please watch for further announcements.
