

Parking Procedures

Please park in the lot listed below. The location of this lot is shown on the St. Paul courthouse map. After parking, bring your parking ticket to the jury room, where the jury clerk will validate your ticket. Once your parking ticket is validated, you can present it to get out of the ramp without paying a parking fee.

If this lot is full, you may park elsewhere. If you park at a different lot, you will need to submit your receipt to the jury clerk to get reimbursed. Your reimbursement for parking will be included in the lump sum payment you receive for your attendance and mileage.
