

UNITED STATES DISTRICT COURT
DISTRICT OF MINNESOTA

United States Securities
and Exchange Commission,

Plaintiff,

v.

ORDER
Civil No. 11-574

Jason Bo-Alan Beckman, et al.,

Defendant,

R.J. Zayed,

Receiver.

Benjamin J. Hanauer, Counsel for Plaintiff.

Jason Bo-Alan Beckman, *pro se*.

Tara C. Norgard, Carlson, Caspers, Vandenburg & Lindquist, Counsel for
the Receiver.

This matter is before the Court on Defendant Beckman's motion to lift the stay and allow this matter to proceed. At this time, the SEC and the Receiver do not oppose the motion, although the SEC notes that judicial economy would support a continued stay during the pendency of Defendant's appeal of his criminal conviction. The Court agrees. Accordingly,

Based on the files, record and proceedings herein,

IT IS HEREBY ORDERED that Defendant's motion to lift the stay [Doc. No. 439] is DENIED.

Date: February 13, 2014
