An extension for electronic filing is granted for all documents that are required to be filed between Thursday, October 1, after 5:00 p.m. and Monday, October 5 at 8:00 a.m. Documents required to be filed between Thursday, October 1, after 5:00 p.m. and Monday, October 5 at 8:00 a.m. must be filed electronically when NextGen CM/ECF is operational on Monday, October 5, 2015.

Only documents with special circumstances, such as those with a statute of limitation deadline, emergency filings, and notices of appeal, will be accepted via email by calling 612-664-5155 or 866-325-4975 to obtain the appropriate email address. Documents submitted by email will be filed as of the date they were received; however, the actual filing of these documents will take place on Monday, October 5, 2015.

Prior to Thursday, October 1, 2015 at 5:00 p.m., e-filers should regularly check their email and open Notices of Electronic Filings as the Clerk's Office will process all documents filed in CM/ECF prior to October 1 at 5:00 pm. You may receive Notices of Electronic Filings on orders, minutes or notices during the weekend as staff tests NextGen CM/ECF.

Information will be posted on the Court's website before Monday, October 5, 2015 as to when NextGen CM/ECF is operational. At that time, e-filers and public users will be able to file and see dockets in PACER using their upgraded PACER account passwords. Please continue to monitor the Court's website for updates.
