2013 Advisory Committee's Note to LR 67.1

The language of LR 67.1 relating to proposed orders has been revised to be consistent with similar language in LR 7.1.

2011 Advisory Committee's Note to LR 67.1

The filing requirements of LR 7.1(a)-(b), Civil Motion Practice, do not apply to motions to deposit money in the court registry. Parties who desire to deposit money into the court registry under Fed. R. Civ. P. 67(a) need only file a motion on the court's ECF system requesting the court to enter an order to deposit money into the court registry and e-mail the presiding judge a proposed order on that motion. Refer to the ECF Guides for information on providing the court with proposed orders.

Please note that the court requires the order to deposit money into the court registry to identify the exact amount that will be deposited. If the amount to be deposited changes between when the proposed order is filed and the order is to be entered — because of accrued interest, for example — the moving party must provide the court an amended proposed order identifying the exact amount to be deposited.
