**PRETRIAL ORDER NO. 37**

**ORDER**

The Court, in furtherance of the compelling interests of updating and managing its docket, hereby enters the following order:

**IT IS HEREBY ORDERED BY THE COURT:**

1. As a resource for this Court, the cooperating New Jersey Multicounty Litigation (Master Docket BER-L-936-13), and any other cooperating courts to manage this litigation, it is necessary to continue to identify and update the status of all remaining, unresolved filed and unfiled claims relating to the ABGII Modular Neck Hip Stem or the Rejuvenate Modular Neck Hip Stem (“Affected Products”) (such claims, the “Affected Product-related claims”).

2. The Court has requested that the Settlement Oversight Committee, established as part of the November 3, 2014 and December 19, 2016 Settlement Program announcements, continue to undertake efforts to accurately identify the remaining, unresolved filed and unfiled claims relating to the Affected Products.

3. As part of this continuing effort the Court hereby orders that all counsel, *pro se* plaintiffs, and unrepresented claimants cooperate with and respond to the Settlement Oversight Committee's efforts in this regard.

4. All counsel and *pro se* plaintiffs and unrepresented claimants are required to comply with this Order by close of business on Monday, March 27, 2017. Failure to meet the requirements of this Order will subject non-compliant parties and counsel to a show cause hearing as to the reason for such failure and may subject such party or counsel to penalties at the Court's discretion.
