BEFORE: John R. Tunheim
Chief U.S. District Judge

Case No: 15-2642 JRT
Date: April 12, 2019
Deputy: Heather Arent-Zachary
Court Reporter: Kristine Mousseau
Time Commenced: 3:04 pm
Time Concluded: 3:12 pm
Time in Court: 8 Minutes

Hearing on: Status Conference

I. Status of Global Resolution

Plaintiffs report that they have reached a global resolution with Bayer. They are currently involved in obtaining participation and releases from plaintiffs and are making good progress. Plaintiffs are confident that sufficient participation will be reached shortly allowing the parties to go forward with the deal.

Defendants report that the parties are still within the time constraints of the confidential master settlement. Once releases are complete, they will review for deficiencies.

Both parties agree that everything should be completed by June.

II. Scheduling of Next Status Conference

The next status conference will be held at 2:00 p.m. on June 20, 2019. Judge Tunheim would like an update on the status of Johnson & Johnson cases at this hearing.

APPEARANCES:

Plaintiffs: Bill Robins III, Thomas Simms, Yvonne Flaherty
Defendants: Andrew Solow
