AGREEMENT**

Pursuant to Pre-Trial Order No. 49, the Court has received a report regarding the status of the 2020 Settlement Program, which remains in progress, including the late enrollment of matters that failed to timely register pursuant to the prior applicable Settlement Program Registration Orders. The Court is also aware that a substantial number of case dismissals will be entered periodically over the next several months as the Settlement Program is completed. Accordingly, based upon the status of the Settlement Program and the overall docket, the Court orders as follows:

IT IS HEREBY ORDERED that:

1. Lead counsel for the parties, Peter J. Flowers, Esq. (Meyers & Flowers) for Plaintiffs, and Kim M. Catullo (Gibbons P.C.) for Defendants, shall confer regarding the overall status of the 2020 Settlement Program and provide a further update to this Court regarding the Settlement Program, including the dismissal status by October 1, 2021.

2. In light of the status of the Settlement Program and the anticipated dismissals and other docket management activities, discovery in this matter shall be further stayed until January 7, 2022, unless otherwise ordered.
