In Re: Granulated Sugar
Antitrust Litigation

MDL No. 24-3110 (JWB/DTS)

**PRETRIAL ORDER NO. 4:
Appointment of Plaintiffs' and
Defendants' Steering Committees and
Co-Lead Counsel, Delegating
Authority to Select Liaison Counsel
and Specialized Rules, Establishing
Common Benefit Fund, and Setting
Deadlines for Consolidated Amended
Complaint and Response**

Multiple motions for Interim Leadership Counsel and applications for membership to the Plaintiffs' and Defendants' Steering Committees have been submitted. A status conference was held on October 28, 2024. After reviewing all applications, submissions, and relevant criteria, and consistent with the statements made at the status conference, Leadership Counsel for the Plaintiffs' Steering Committee ("PSC"), Defendants' Steering Committee ("DSC"), and Plaintiff Subgroup Committees' Leadership Counsel are appointed for the Granulated Sugar Antitrust Litigation as detailed in this Order.

In selecting the Steering Committee Members, each firm's and each designated attorney's experience, skill, resources, and demonstrated ability to collaborate effectively within a large multidistrict litigation were considered, as well as the requirements set forth in Fed. R. Civ. P. 23(g) and relevant case law. On Plaintiffs' side, Subgroup Committee Leaders have also been appointed. This Order serves to document the various firm and attorney appointments and to underscore that the leadership structure ensures the

PSC remains the central authority over case strategies and major decisions in this litigation. To uphold centralized leadership, subgroup roles will serve in an advisory capacity only, without independent decision-making power, so that all critical decisions affecting the litigation remain with the PSC as a whole.

Accordingly, **IT IS HEREBY ORDERED** as follows:

1. Appointment of Defendants' Steering Committee, Liaison Counsel, and Lead Counsel

To the extent the DSC seeks to amend its duties and responsibilities, it must submit recommendations and a proposed Order to the Court.

2. Appointment of Plaintiffs' Steering Committee and Liaison Counsel

The following attorneys are appointed to serve on the Plaintiffs' Steering Committee to represent the interests of all Plaintiffs in this MDL. 4. Authority and Oversight Structure for the PSC and Subgroup Leadership

To ensure the PSC retains ultimate authority and strategic control over the litigation, the Court issues the following guidelines:

- PSC as the Central Authority:** The PSC has primary authority over all decisions affecting litigation strategy, experts retention, settlement negotiations, and interactions with the DSC. Subgroup Co-Leads provide advisory support specific to their Plaintiffs’ interests but must defer to the PSC on all major decisions, including but not limited to the categories enumerated here.

- **Role and Limitations of Subgroup Leadership:** Subgroup Co-Leads in general may manage routine activities for their respective Plaintiff classes, including subgroup-specific discovery and communication with clients and law firms within the subgroup. Subgroups should organize themselves and may appoint roles and committees as appropriate to achieve these purposes. However, subgroups are required to obtain PSC approval for all major strategic decisions, including but not limited to settlement proposals, dispositive motions, and expert witness selection.
- **Designation of PSC Liaison Counsel:** The PSC Liaison Counsel shall be responsible for coordinating all subgroup activities and ensure effective communication with both the DSC, the PSC, and the Court. The Liaison Counsel shall regularly update the Court on the alignment of subgroup activities with case objectives.

5. Establishment of a Common Benefit Fund and Time and Expense Reporting Requirements

The PSC must establish a Common Benefit Fund to compensate counsel for work performed that benefits all Plaintiffs in this MDL. The PSC is directed to confer with counsel representing the various Plaintiff classes and submit a recommendation on the percentage of assessment on recoveries to be allocated to the Common Benefit Fund.

This recommendation shall be filed with the Court **prior to the January Status Conference.**

All counsel seeking compensation from the Common Benefit Fund must be approved by the PSC. Approved counsel must submit detailed time and expense reports for approved work only on a quarterly basis (January 15th/April 15th/July 15th/October 15th) to document work performed for the common benefit of all Plaintiffs. These reports shall include:

- The nature of the work performed;
- The amount of time spent on each task; and

- Itemized expenses incurred in relation to common benefit work.

The Court will oversee the Common Benefit Fund and approve all payments to counsel for common benefit work, ensuring that such compensation is fair, reasonable, and necessary. The Court may appoint a Special Master or employ other processes to assist. **Prior to the January Status Conference**, the PSC, through the Liaison Counsel, must submit a Proposed Order to the Court setting forth the procedure and timing for submitting counsel expense reports for approval by the Court.

6. Court Review and Oversight

The Court reserves the right to review and approve all appointments made by the PSC and DSC for Liaison Counsel, specialized roles, and junior attorney participation to ensure alignment with the efficient and fair management of the litigation.

Both the PSC and the DSC shall provide periodic status reports to the Court every **3 months** (January 15th/April 15th/July 15th/October 15th) or as otherwise directed, detailing progress on case management, discovery, settlement discussions, and any other matters of importance in this litigation.

7. Annual Reapplication Requirement

All PSC and DSC appointments are for a **one-year term**. Each attorney/firm must reapply annually to ensure continued dedication, alignment with litigation needs, and adherence to the standards issued by the Court.

8. Consolidated Complaint

Plaintiffs must file a Consolidated Complaint **40 days** following the issuance of this Order.

9. Response to Consolidated Complaint

Defendants' deadline to answer or otherwise respond to Plaintiffs' Consolidated Complaint is **60 days** following the filing of Plaintiffs' Consolidated Complaint. If a Motion to Dismiss is filed, Opposition briefs are due **30 days** after the filing of the Motion to Dismiss. Reply Briefs are due **15 days** after the filing of an Opposition Brief.

10. Stay of Discovery

All discovery shall remain stayed pending the filing of the Consolidated Complaint.
