**PRETRIAL ORDER NO. 52**

This Document Relates to All Actions

---

Having actively monitored the progress of the prior settlement programs and related ongoing resolution of pending filed cases and registered claims in this Multidistrict Litigation, the Court is aware of the substantial number of case resolutions and dismissals that have significantly reduced this MDL to a relatively small group of cases at this time. For purposes of further management of this litigation, the Court orders as follows:

**IT IS HEREBY ORDERED** that:

1. Lead counsel for the parties, Peter J. Flowers, Esq. (Meyers & Flowers) for Plaintiffs, and Kim M. Catullo (Gibbons P.C.) for Defendants, shall review the overall current MDL case docket and the remaining unresolved MDL cases in the MDL docket, and shall confer regarding same for purposes of providing an update to this Court.
2. To allow for a meaningful review and status report from lead counsel, the Court directs all counsel with pending unresolved MDL cases to cooperate and confer in good faith with lead counsel regarding an inquiry concerning their pending unresolved

cases. If any such counsel fails to respond or otherwise cooperate in good faith with this process, then lead counsel shall promptly alert the Court.

3. Lead counsel shall jointly provide an update to this Court regarding the docket review and pending unresolved MDL cases by August 25, 2025.

4. The Court anticipates issuing further orders addressing the remaining unresolved pending MDL cases. In the interim, further discovery in this matter shall remain **STAYED**.
