PRETRIAL ORDER NO. 20
(RE: Follow-Up to July 17, 2025,
Status Conference)

Pursuant to discussions at the July 17, 2025, Status Conference (Doc. No. 413), the parties' joint stipulation regarding compliance with Pretrial Order No. 18 and briefing on choice of law analysis (Doc. No. 417), and based on the record in this case,

IT IS HEREBY ORDERED that:

1. The stipulation regarding compliance with Pretrial Order No. 18 and briefing on choice of law analysis (Doc. No. [417]) is **APPROVED**. Parties will each have until July 24, 2025, to file a supplemental brief on choice of law rules in Tennessee and Louisiana. Briefs are limited to 10 pages each. No reply briefs shall be permitted.
2. Any Plaintiff who directly files a discrete case pursuant to Pretrial Order No. 1 (Doc. No. [54] ¶ 7) shall identify the transferor court for such discrete case.
3. Defendants are allowed a response brief to the amicus curiae brief filed by the American Society of Anesthesiologists (Doc. No. [408]). The response brief is limited to 10 pages and shall be filed on or before July 31, 2025. Plaintiffs are not permitted to file a reply brief.

4. Defendants' motion to dismiss for lack of personal jurisdiction (Doc. No. [250]) is held in abeyance while pretrial proceedings are underway in the MDL. Jurisdictional issues are for the transferor court to address, so the motion is properly addressed once discrete cases are transferred back to the transferor court after the conclusion of pretrial proceedings.
