DISTRICT OF MINNESOTA**

In re: STRYKER REJUVENATE AND
ABGII HIP IMPLANT PRODUCTS
LIABILITY LITIGATION

MDL No. 13-2441 (DWF/DJF)

PRETRIAL ORDER NO. 53

This Document Relates to All Actions

Having reviewed and actively monitored the progress of the prior settlement programs and related ongoing resolution of pending filed cases and registered claims in this Multidistrict Litigation, the Court is aware of the substantial number of case resolutions and continuing dismissals that have significantly reduced this MDL to a small group of remaining cases with varied histories and claimant-specific status. For purposes of further management of this MDL, the Court orders as follows:

IT IS HEREBY ORDERED that:

1. Given the ongoing dismissals, the current number of remaining unresolved cases, and the diversity of the individual remaining case background and status, the Court intends to immediately begin issuing case-specific orders in the unresolved remaining MDL cases, which will require further action or update within stated deadlines.
2. The Court will determine the appropriate remaining course of this MDL thereafter.

3. In the interim, further discovery in this matter shall remain stayed.
