

UNITED STATES DISTRICT COURT
DISTRICT OF MINNESOTA

In re: BAYCOL PRODUCTS LITIGATION

MDL No. 1431
(MJD/JGL)

This Document Relates to All Actions

Pretrial Order No. 20

**Schedule for Briefing Jurisdictional Issues
Related to Medical Monitoring Claims**

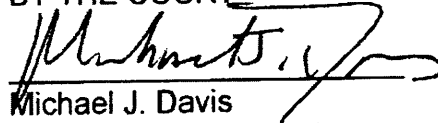

Pursuant to Pretrial Order No. 17, IT IS HEREBY ORDERED:

1. Any additional briefing on motions to remand in cases raising medical monitoring claims will be filed on or before August 30, 2002.
2. Defendant's consolidated response brief and any defense motions related to federal jurisdiction over medical monitoring cases filed in federal court will be filed on or before September 24, 2002.
3. Plaintiffs' reply in support of motions to remand and any opposition to any related jurisdictional motions by defendants will be filed on or before October 15, 2002.
4. Defendants' reply in support of any defense motions related to federal jurisdiction over medical monitoring claims will be filed on or before October 30, 2002.
5. The above motions will be argued at the Court's November, 2002, status conference, which is tentatively scheduled for November 14.
